IN THE MATTER
OF

CONSENT
AGREEMENT
AND
ORDER

Jong-Sup Rim, M.D., ("Respondent"), representing that all of the following statements are true, deposes and says:

That on or about March 14, 1975, I was licensed to practice as a physician in the State of New York, and issued License No. 123400 by the New York State Education Department.

My current address is 700 Mountainview Drive, Lewiston, NY 14092, and I will advise the Director of the Office of Professional Medical Conduct ("OPMC") of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with fifteen specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I do not contest the First through Fifth Specifications, in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to § 230-a(3) of the Public Health Law, my license to practice medicine in New York State shall be permanently limited such that I may practice medicine only in a supervised setting in which I shall have no responsibility for billing patients or third party payors and in which I shall not be compensated

by corresponding payments made directly by patients or third party payors, and provided that the supervised setting is approved in writing in advance by the Director of OPMC. I shall attest to compliance with the prescribed practice limitation by signing and submitting to the Director of OPMC a Practice Limitation Declaration, as directed by the Director. I shall cause the administrator(s) of all hospitals and other health care facilities or practices with which I am affiliated to submit a letter to the Director of OPMC attesting to my compliance with the specified limitation at each location.

Pursuant to § 230-a(9) of the Public Health Law, I shall be placed on probation for a period of three years, subject to the terms set forth in attached Exhibit "B."

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 30 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order. Respondent shall meet with a person designated by the Director of OPMC, as directed.

Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
